

Greetings,

Established in 2009, Chennai International Terminal Pvt. Ltd (PSA Chennai), a subsidiary of the renowned PSA International, a leading global port group, has emerged as a trusted partner for cargo stakeholders. Noteworthy is its recent achievement of handling its nine millionth TEU in February 2022, with PSA Chennai processing over 906,000 TEUs in 2021. The terminal has been honored with several prestigious awards, including the South East Cargo & Logistics Awards - Container Terminal of the Year in 2013, 2017, 2018, 2019, 2020-2021, and 2022.

Chennai International Terminal Pvt. Ltd. (CITPL)- PSA Chennai is actively seeking to expand its supplier network by establishing strategic alliances with manufacturers and suppliers throughout India capable of meeting specific business requirements. Suppliers nationwide are encouraged to carefully review the outlined criteria and reach out if they are interested in becoming key vendors, offering products or services within their areas of expertise.

Furthermore, PSA International oversees a total of five container terminals and CFS long-term contracts in India, including locations in Chennai, Mumbai, Kolkata, and Tuticorin. This presents an opportunity for suppliers to engage with various business units and provide goods and services across different regions.
