CSR STRATEGY &INITIATIVES:

As per the approach and direction of the Board of Directors / CSR Committee of the Company, the Company's CSR efforts would continue to be directed and focused towards Community Development, Health and Education, as briefed hereunder:

- ***Community Development***

Purpose: Aid holistic development of communities around our unit/office locations, and that of other vulnerable communities by helping meet their critical needs and overcoming any emergencies.

Our Community Development initiatives focus on a multitude of interventions based on need and a continuous engagement with our communities to help them to improve their lives in the following areas:

- Providing facilities: Rest rooms & sanitation, provision of drinking water facility, rain water harvesting structures as well as building toilets and creating sanitation awareness in schools, communities, etc.

- Promoting Community Welfare: Providing scholarship and grants to children, resolution of community challenges, family & community welfare, promotion of sports and wellness activities including yoga;

- Supporting rural development: Carrying out village development activities, infrastructure development, girl and youth education, women empowerment, vocational trainings, festival celebration, recreational activities & sports, distribution of seeds and plants, clothes, stationary, food, support in implementation of government schemes and livelihood promotion.

- ***Health***

Purpose: To promote health care including preventive healthcare by rendering quality health care facilities to people living in the villages and in the area / vicinity in which we operate through hospitals and health care centres. Creating awareness on various health problems and providing basic sanitation.

- Community Health: Health awareness sessions for women, adolescents & children, initiatives to reduce levels of malnutrition among children, setting up of blood donation camps, mother and childcare projects, preventive health care through awareness programmes for communicable / non-communicable diseases, health care for visually impaired and differently abled etc.
- Health Emergencies: Support communities to meet any critical needs during health emergencies by providing medical kits, instruments, ambulances, etc.

- ***Education***

Purpose: To support the transformation of the education system in India. Its interventions work to improve learning abilities in children, and support teachers to teach better, thereby supporting schools to develop high quality learning spaces. The Company's interventions in the space of education strive to ensure children have access to a holistic education.

We work with the government run schools and help teachers create safe learning spaces, where children can ask questions freely and engage in dialogue with both teachers and peers. Children feel secure, there is an absence of fear, governed by equality and equity. We also help create peer networks for the teachers, where they discuss teaching approaches, curriculum, etc., along with challenges and triumphs. Enable them to learn from each other's experiences while fostering trust and camaraderie.
